

COUNTY AGENCY Siskiyou County Public Health and Public Works Department		COUNTY Siskiyou	SOLID WASTE FACILITY PERMIT 47-AA-033
CITY NAME <i>New</i> Siskiyou County Solid Waste Disposal Site		PROPOSED 4/16/80	DATE 5-30-80 ENFORCEMENT AGENCY APPROVAL 6-16-80
LOCATION Siskiyou County Public Works Department			
SITE LOCATION Section 7, Township 43 North, Range 1 East, M.D.M.			

This facility is a new 10 acre Class II-2 landfill; site life is expected to be 21 years. The trench method of operation will be utilized. The facility will be located in Section 7, T. 43 N., R. 1 E., M.D.M. in Siskiyou County. The disposal site will receive 0.5 tons per day. The site will be open 24 hours per day, 365 days per year. No salvage operations will be conducted. Types of wastes to be received are: (Date of operation commencing approximately 7/1/80)

- Residential and Commercial
- Tires
- Construction and Demolition

Design and operation of this facility is as specified by the Report of Disposal Site Information dated March, 1980 which is hereby made a part of this finding.

Land within 1,000 feet of this facility has no zoning.

This facility's operations will comply with the State Minimum Standards for Solid Waste Handling and Disposal.

There are no anticipated changes in the design or operation of this facility within the next five years.

The following documents condition operation of this facility:

- Special Land Use Permit to be issued by Department of Agriculture United States Forest Service.
- County Land Use Permit.
- California Regional Water Quality Control Board, North Coast Region Waste Discharge Requirement No. 80-46.
- Rubbish Dump Permit to be issued by California Division of Forestry.

The final elevation of the site will be approximately the same or slightly higher than the initial elevation.

Cover will be at a frequency as determined necessary.

Standby equipment is available from Road Sec. of the Siskiyou Co. Public Works Dept.

This permit is granted solely to the operator named above, and is not transferable. Upon a change of operator, this permit is subject to revocation. Upon a significant change in design or operation from that described in this permit or in attachments thereto for the existing design and operation of a facility operating immediately prior to August 15, 1977, or from the approved intended design and operation of a facility which was not operating prior to August 15, 1977, or which herein is granted a permit modification, this permit is subject to revocation, suspension, modification or other appropriate action.

This permit does not authorize the operation of any facility contrary to the State Minimum Standards for Solid Waste Handling and Disposal. This permit cannot be considered as permission to violate existing laws, ordinances, regulations, or statutes of other government agencies.

COUNTY AGENCY Siskiyou County Public Health and County Public Works Department		TYPED NAME R. W. Bayuk, M.D.	DATE 6-16-80
